MEMORANDUM FOR THE RECORD

SUBJECT:

This is to record that a former employee named to whom I wrote a letter declining an appeal for a review of our unwillingness to rehire him, came personally to my quarters on Saturday afternoon. He brought the original of my letter to him; he requested that I "verify" the letter. I asked him what he meant by this, and he indicated he wanted to be sure that I had in fact written or signed the letter. I told him that I had, that I was sorry I couldn't do more for him, but that I felt that was the proper adjudication of the case.
